Relationship: Bakugou Katsuki/Kirishima Eijirou

-----Itâ€™s at that moment that Bakugou realizes something is very, very wrong. He glances down at himself and sees scars heâ€™s never had before along his arms, little nicks and scratches heâ€™d never have been oblivious to. When he reaches up, his limbs feel longer, and as he staggers to his feet he stands several centimeters taller than he had, last thing he knew. He glances at the mirror, catches sight of his reflection, and screams.

One of the doors on the opposite side of the room bursts open, steam spilling out into the bedroom. A man crosses the room in quick strides, looking around for some enemy he canâ€™t yet see.

No, not just a man. Kirishima. When a confrontation with a villain throws Bakugou through time, he's forced to face a future he never imagined, and maybe something he can't leave behind.
